North Carolina Beaten

Another Triumph for State

Greatest Struggle on Stoll Field Seen in Years

After sixty minutes of real football, such as was never seen before on Stoll Field, State triumphed over North Carolina. Both of State's touch downs were made by Bryan Shanklin, the first by means of a forward pass, while the second was the result of a "slain tackle" play.

During the first quarter things looked very dubious for State, especially when North Carolina made stronger gains for seventy-five yards, only to be stopped by an intercepted forward pass. Not much gain could be made against the "Tar Heels" in the first quarter, but during the rest of the game, everything was Kentucky; at no time after the first quarter was State's goal in danger. The game in detail, was as follows:

First Quarter.

Shanklin kicked off at 3:10 p. m. to Spencer who was downed on the 20-yard line. North Carolina made 20 yards through our line. Then on the next play, our line held but Coach Bride's men made another gain, Belk making 15 yards through L. T. Again our line held and Carolina was penalized 15 yards for off side play. Then they punted which Shanklin fumbled, N. Carolina recovering the ball. On a skin tackle play, they made 10 yards and again our line held. Shanklin then intercepted a forward pass and it was Kentucky's ball on their 30-yard line. Carolina, so far, had gained at will. Shanklin carried the ball around L. E. for 15 yards, Threlkeld made 5 through the line. Watkins lost a yard and Shanklin was forced to punt. Winston being tackled by

Johnson where he caught the ball. N. Carolina punted. Shanklin pulled off 5 yards around L. E. Threlkeld gained footing through the line. Shanklin punted, Watkins tackling his man on the spot. Spencer made 10 yards through the line. Then our "wild cats" held those husky giants three times and the ball went over. Threlkeld again could gain nothing through the line. Watkins was tackled behind the line and thrown for a five-yard loss. Shanklin punted 25 yards, Carolina's ball on 45-yard line. They made five yards through Babb. Gained the more around R. End. Spencer reeled off 5 more around Left End. Carolina was penalized 5 yards, third down, seven yards to gain. For the second time their heavy team was held for downs, and the ball went over. Shanklin gained 6 around L. End, Threlkeld 3 yards through line. Threlkeld bucked line for 2 yards more, Shanklin could gain nothing and this ended the first quarter, the ball being in the middle of the field. Both teams playing hard, the play being mostly in State's territory.

Second Quarter.

The second quarter began by Threlkeld making 5 yards through their line, then he made four more. On the third attempt he was held. Watkins could gain nothing. Shanklin tried a place kick from the 30-yard line but failed, Babb, tackling his man where ball was caught. N. C. was penalized two yards. Then State held them on their five-yard line. They punted, "Spot" making a "fair catch." Again we tried a place kick but failed. Car-

olina's ball on 25-yard line. They punted, Shanklin returning ball 10 yards. Shanklin made three yards around end. Threlkeld gained one yard, Shanklin kicked outside, our man recovering ball. Gaiser now punted for State. Gaiser kicked 25 yards. State held. Held again, Gaiser making a beautiful running tackle. Threlkeld having no interference was thrown for a loss. Threlkeld held. Gaiser punted, Carolina returning ball 3 yards. State penalized 5 yards. State held. N. Carolina penalized 20 yards. They kicked, and Giltner running through a scattered field, runs 55 yards before being thrown. Shanklin for the third time tried place kick but missed. N. Carolina's ball on their 5-yard line. End of second quarter. The playing mostly in N. Carolina's territory, they fighting hard to stave off the inevitable—our touch-down.

Third Quarter.

North Carolina kicked off to Giltner who again by the fastest kind of running, good interference and good head work, for the second time that day, running through a widely scattered mass, gained 55 yards on the return. Shanklin gained 2 yards around R. E. Shanklin thrown for a loss. We attempted forward pass, hit ground, penalized, N. Carolina's ball. They punted, Giltner returning 5 yards, Threlkeld made 1 yard. Watkins was again thrown for a loss. Third down. 11 yards to gain, N. Carolina's ball on the 35-yard line. Then on a pass of Winston to Porter behind the line, they were thrown for a loss. Then Spencer went around Left End, for 10 yards. Gaiser, because of an injury to his back, was taken out, and George Shanklin put in. On the next play, Capt. Webb stepping back from his position at center, intercepted a forward pass and made 12 yards, B. Shanklin 15 yards through the mass, Threlkeld gained two. Third down. Shanklin punted 35 yards. On the return punt Giltner fumbled North Carolina man falling on ball. Withers gained 1 yard. The University boys were penalized 15 yards. N. C. punted. Giltner returned ball five yards. Threlkeld gained 2 more. B. Shanklin made two more. B. Shanklin punted and the N. C. man was tackled on the spot. North Carolina fumbles, (Continued on page 8)

INEVITABLE

Unless We Awaken Ourselves to the Present Conditions.

Since the opening of the athletic season an appalling decrease in membership of the athletic association has been very forcibly brought before us.

Why is this decrease? Is it because the present management has changed the form of membership ticket? Is it because of the faculty, the most of whom have not given their hearty support toward the most important form of college activities? Is it because the old men have failed to inform the new men of the necessity of their co-operation in the maintenance of our college athletics?

An interest in athletics, the backbone of every institution of learning in this country and more especially of the University of Kentucky, should be manifested by each and every student.

Athletics is the most attractive part of college life, in which men are trained both mentally and physically by this form of student activity.

The new men are the ones to whom we appeal and also to any of the faculty and upper classmen who have not shown any signs of vigor and vim in this matter.

We have brought this question before you in Chapel and at the rallies recently held, and once more we ask the non-members to lend us your ears.

The managers of foot ball, basketball, base ball, and track have secured a number of exciting and interesting games for this season. The greater proportion of games are to be played on the home grounds. And what does this mean? It means that the guarantees which we offer the visiting teams must be met with. Not to meet these obligations means disgrace and shame upon our teams, our Coach, our athletic committee and lastly ourselves.

What is to be done in this era of rheumatism of the student body? Do not say I haven't the money—but do something and get the money with which to show your interest in the welfare of your college.

Everyone who feels this rheumatism which is so prevalent with the majority of the student body should drink of the fountain of loyalty and duty,

and shake off this ill boding sensation.

In larger colleges, the athletic membership fee is separate from the gate or admission fee. Let us, then, show the athletic committee we appreciate the grave situation in which our athletics stand and see to it that each student and every member of the faculty has procured a season ticket. To the students that belong to the association this appeal is also made in order that with your assistance we may awaken the dead ones and make the student body the one central unit of athletics of the University.

If we, the students of the University of Kentucky, want to see our team clad in the colors of the institution and want to retain our efficient and worthy director of athletics, it is up to us to get busy and stir things up. As things stand at present the athletic committee will be unable to meet their out-standing obligations. This includes base ball as well, for we have to let Mr. Ingles know definitely by October 15th. It is up to you to respond to this appeal or see the base-ball team as well as other branches of athletics cease to exist for lack of funds.

RESIGNED.

Mr. D. C. Frazee, who has been Business Agent of the University for a number of years, tendered his resignation to the Board of Trustees to take effect October 1st. Mr. Frazee expects to go to farming in Mason county. Mr. Frazee is succeeded by Judge W. T. Lafferty who will attend to the Business Agent's duties together with his former position as comptroller of the University of Kentucky.

"JUNIOR-SENIOR" GAME.

An interesting classy game of football will be pulled off between the two upper classmen Wednesday, October 19th, at 3 o'clock on Stoll Field.

Hart and Cleveland have not yet announced the officials for Friday's game. The pig-skin will be dispatched according to the new rules and many freak students and trick plays are expected. Both teams have about even chances to win as they are of about the same avoirdupois.

The last game between these two teams resulted in a 0-0 score. No admission fee will be charged and a large crowd is expected to witness the game.

COLLEGE OF AGRICULTURE.

For years the Agricultural has been the infant department of the University, but that day has now passed and the Agricultural College is growing so rapidly that in a few years it will be the largest in the University. There are sixty-eight students enrolled in the course this year compared to forty-two last year. These students represent the best class in school. No

other department is more actively engaged in the various phases of college life than they are.

Many improvements are being made in the equipment, etc. At present a soil physics laboratory with all modern equipment is being installed. Prof. Roberts has charge of this department and with his new equipment he can soon make this one of the most complete branches of study in College.

Prof. Hooper is doing excellent work with his class in stock judging. This class numbers fifty students. Aside from text book work weekly trips are taken to the various blue grass stock farms that are famous throughout the country. On last Saturday the class went to the farm of Gay Bros., at Pisgah, Ky., and on the Saturday previous to Gano Johnson's at Mt. Sterling, Ky. At these places the best types of the Denmark and Chief horses were studied. This week the trip will probably be to Renick's farm near Winchester, where some of the best Short-horn cattle in America are raised. Later, most of the class will go with Prof. Hooper to the International Stock Show at Chicago.

Elmendorf, which is connected with the College affords excellent opportunities to students for live stock work. Dr. Scovell, Director of the Experiment Station and College of Agriculture, who is recognized everywhere as an expert Jersey judge, is in charge of the breeding, experimental feeding, etc., of the cows in that dairy. He has, this last week, been acting as judge of dairy cattle at the Illinois State Fair.

A stock-judging team composed of J. du P. Oosthuizen, G. C. Routt and E. F. Worthington is now being coached by Prof. Hooper in preparation for the judging contests at the National Dairy Show at Chicago, on the 21st of October.

The judging will consist of two rings of each of four classes of dairy cattle, namely, Jerseys, Ayrshires, Guernseys and Holstein Friesians. A trophy is offered for the best work on each class and also one for the best average on all the classes. Also a \$400 scholarship is offered for best individual work of one student. All of the largest agriculture colleges in the country will send teams and consequently the contest will be a close one. Our boys have been doing some very hard work in preparation and should stand a good chance of winning a trophy. Later on a team will be at the International Live Stock Show.

The Agricultural Society met last Friday night for the first time this year. Officers elected for this term were: G. C. Routt, President; E. F. Worthington, Vice-president; W. W. Fitzpatrick, Secretary and Treasurer; A. C. Ball, Corresponding Secretary, and J. du P. Oosthuizen, Sergeant-at-

Arms. The program for the evening was short but interesting. Prof. Mathews made an excellent talk on the society and its outlook and that of the College in general. The next meeting will be Friday night, October 21. Last year this society did excellent work and now its prospects are much brighter than ever before. Aside from having Idea correspondents it has one that contributes, each week, an article to the Farmers' Edition of the Herald.

THE EDUCATIONAL DEPARTMENT

The department of Education or Teachers' College beginning as it does for the second year under the Dean-ship of Dr. Snow, promises the best year in its history since supplementing the Kentucky Normal.

The Educational Department last year, though containing only a few Seniors, they were among the best students of the University. The class of '10 chose for their President R. A. Edwards, a matriculate of the Educational Department.

The Senior Educational class this year being larger than last year's, also contains the foremost students in the University. The class of '11 chose for President O. E. Baird; for Class Representative H. A. Babb, both of the Educational Department.

The Department, like that of Agriculture, is steadily growing, and through the personal work of Dr. Snow throughout the State, urging the high schools to higher and a common ideal has no doubt done a great work in behalf of Education.

State University offers the best and only teachers course, in a teacher's college offered in the State and to students especially who desire to teach, of the opportunity to take this teacher's course.

LOUISVILLE CLUB RECEPTION.

Who said "Class?" Everybody that attended the reception at Patterson Hall, Saturday evening. That Louisville Club is certainly some classy bunch and here's looking at 'em. Every fellow in school joins in extending to them the glad hand for their abundant hospitality and charming entertaining powers. And that honor member of their's, whose official cognomen is "Dean."! Gee! She's great! The whole school is a-ers and she is ours.—more than an honor member. She is one of us. We think it, we feel it, we know it!

What a climax, that was to the happenings of the greatest day we have spent in our lives. What a welcome—almost divine—vision that greeted our eyes when we approached dear old Patt Hall,—after that glorious tramp all over town—still clad in the homely costume that made the parade at once so unique and picturesque, but received by our hostesses and hosts as gladly as though we wore the regulation evening spade tail and

silker. And then what a time we had. It is impossible to express in words the joy and pleasure that were ours. Only those who knew that dear bunch of girls at Patt Hall can imagine the charming evening we spent. Long life and supreme happiness to every member of the Louisville Club, especially its honor member.

THE PATTERSON SOCIETY.

As was predicted at the beginning of the term, the Patterson Society is enjoying the most prosperous year in its history.

The new members are developing rapidly in the art of expression and the old members are working with extraordinary zeal and enthusiasm. No meeting was held last Saturday night, as every one's "Cup of Joy" was full to overflowing because of our splendid gridiron victory of that afternoon.

Patriotism has always been a prominent characteristic of the Society. Therefore upon Saturday night, the Literary program was entirely forgotten and when the notes of the bugle, trembling with gladness, rang out upon the quiet air, every member buckled on his raiment of ghostly white and sallied forth to join the parade and participate in the further exercises of the night.

The Society has a very efficient body of officers this year. They are as follows: H. A. Babb, President; G. C. Routt, Vice-President; Slocum S. Prisse, Secretary.

THE HIPPODROME.

While there is nothing on the Hipp bill this week so imposing as Naeatas "Nymphs of the Sea" or Peter the Great, there are four acts which are bright and snappy from start to finish and which make up a mighty good hour's show.

The opening act Bissonetti and Newman, has never been excelled locally by any exponents of athletics. The two boys' first appearance neatly attired in well fitting uniforms gains the audience's respect before they do a thing. Their work is quick and for the most part entirely original.

Alice Marie, a petite little lady has some excellent impersonations in her repertoire, most notable among the number being the Indian Maiden and the Bathing Girl.

John Coghlan, an electrical wonder, does various astonishing stunts with electricity which makes the audience sit up and gasp. His is indeed a remarkable performance and alone should crowd the house at every show.

The Four Shannons sign a little, dance a little and talk a little. There is a clever little fellow who is yet very young who has most of the older comedians beaten. His work is bright and he has a better stage appearance than a good many performers who have been in the business all their life.

ENTHUSIASM.

Greatest Ever Seen Here.

When before last Saturday's game, the contest was talked about, the little groups around the campus usually broke up with down-cast faces, the

general prediction being, "that we would be lucky if we held them to a tie" and some actually predicted defeat. Then came the game one that will long be remembered, in the annals of State foot ball, for the game, in every sense of the word, that it was.

The game our boys put up and the result, lifted everyone out of themselves, set that little organ in one's body, that one calls spirit, beating a tattoo against your ribs, and lifted you high among the clouds. Then that never-to-be-forgotten night street parade.

Of course there were a few, "I told you sos." and the like, but the majority of the school, unbibed that old, "Bottled in Bond," Kentucky spirit. Indefinable, yet being all that's good and true. Did ever any scenes inspire heroes on to a noble efforts than our rallies did? Even the girls caught the contagion and gave their yells, such as, "We Run this place, we do." Never have the girls done this before. All the speeches in Chapel were in accordance with this spirit, even udge Lafferty being moved to give us a short enjoyable talk. So keep it up.

Prof. Wilson, Prof. White and everyone who is in a position to know say that never have they witnessed such enthusiasm at State University. Just this kind of spirit urges the team on and makes them strive all the harder to win such victories as North Carolina, Illinois, Central, and St. Louis and Tulame (to be.)

STATE TO PLAY K. W. C. Saturday.

Game at Winchester.

Next Saturday morning our "Wildcats" will journey to Winchester to play the Wesleyan College of Kentucky. And ust because they haven't played North Carolina, don't think for one minute that "its a cinch."

Wesleyan played Maryville, the team we played 12-6 and the only team to score this year, a tie 6-6 and a stubborn struggle is predicted.

Coach Sweetland wants all men who can afford to go, to go along and cheer the team on to victory. They will doubtless leave at 11:45 a. m. over the C. & O. Saturday. The game is the first our team plays on foreign ground this year, but this handicap will not interfere, it is hoped, with "Our Boys" and another victory is looked for. All you can get off and go, come along and show your true State spirit.

The railroad fare will be very nominal, and a pleasant afternoon's amusement is promised everyone. Remember, C. & O., Union Depot, at 11:45 a. m.

The attention of the Alumni is directed to the subscription blank on another page. Fill it out, enclose a dollar and send it in.

NORTH CAROLINA BEATEN.

(Continued from page 1)

State's ball. B. Shanklin lost five on end run. The right half of North Carolina, one big giant named Spencer was taken out for slugging. Then on the next play on a long forward pass beautifully executed, Threlkeld to B. Shanklin, and gaining 18 yards, B. Shanklin made our first touch down which he later converted into a goal. Score 6-0. Pandemonium reigned supreme among the spectators. Play was entirely in North Carolina's territory. It was seen that Watkins was too light for the heavy opposed players. Bell kicked off to Ciltner who returned 15 yards. Blocked kick. B. Shanklin falling on ball. N. C. fumbled Shanklin's punt but recovered. Babb again tackling the man in his tracks by fast playing. They punted. Giltner returned 3 yards. Kentucky's ball on 15-yard line. Threlkeld made 5 yards through line. Then for the first time in two years, we were held for downs. Webb tackled Calines around L. E. and threw him for 1 yard less. Our line held. They punted, penalized, ball not going 20 yards. Shanklin made 5 yards around R. E. and time was called.

Fourth Quarter.

Kentucky's ball on 20-yard line. Shanklin made three yards around L. E. Threlkeld made 1 yard. First down and then B. Shanklin on a skin tackle play made our second touch-down. Threlkeld made a fair catch of Giltner's punt out and Webb missed goal. Score 12-0. This ended the scoring, the rest of the quarter being played in Carolina's territory.

The game put up by State was the best seen this year, the two fumbles alone marring the otherwise good football played. Every man starred and the Editor can see no particular man shining above the rest. The Athletic Editor has been asked not to praise the team in the write up, but how can a man sit down and write up a game like last Saturday and not use praise. It is a physical impossibility.

SUMMARY.

The star players on both teams were few, it being a game where team work was the particular feature. Some of State's players did well while some seemed to show need of improvement. Credit must be given Giltner for remarkable return of punt at the beginning of the third quarter, in which he ran through a broken field for sixty yards. North Carolina has a good man in Porter and also Belk. The method that Belk used in getting off his punts being singularly bold. Earle playing for State had what was thought to be the hardest position on the team, as he was pitted against Thompson of North Carolina, and the "Big Boy," demonstrated that he was the best guard in the South.

Every man on that team Saturday starred. Every man gave the best

that was in him, and the score testified to the fact. The Carolina men, although expecting a walk over, took their defeat gamely and too much cannot be said to sportsmanship of Coach Bride and his men, the best of feeling prevailing throughout the game.

THE ADOPTION DANCE.

(Virginia Gaddy, Delaware.)

The Adoption Dance is one of the ceremonial dances of the Shawnees. This is quite different from one of the festive dances. They came many miles around and camp; their faces are painted and their persons decorated with beads.

They dance all day and night without eating. A bonfire is built in the center of the camp and they dance around this. The fire is kept burning about the same all the time. This serves also as their light.

The adoption dance is rather quiet, more so than the other dances. The women do most of the singing and they sing very low. They dance around the circle in twos. The men dance together in front, and the women together in the rear.

The two leaders in front are usually the ones who are adopting the child. They carry tin pails; in these are rubber balls, which bounce and keep time with the drummer. This is all the music they have to dance by. If a large crowd is assembled, they may two or three drums.

At these dances they must have very good order. No drunkenness is allowed. The dance is in a grove, and if anyone does not behave decently they tie him to a tree for the rest of the dance. After the dance they have a great feast, which lasts all day, and visitors, and all those who attend the dance, are invited to partake of the feast.—Carlisle Arrow.
